

Asuris TruAdvantage™ Information Meetings

Choose the plan that meets your needs

You know that there are more options than ever before for your Medicare health care coverage. Choice is great, but too many choices can be confusing. That's why Asuris Northwest Health offers free informational meetings for you to learn about your Medicare options.

We offer a choice of Asuris TruAdvantage plans. All four of these plan options are Medicare Advantage PPO plans that combine your original Medicare benefits and more into a single plan—and three of them include Part D prescription drug coverage.

No matter which Asuris TruAdvantage plan you choose, you can be assured of having no deductibles for medical services, an extensive provider network, worldwide coverage and more.

With the Asuris TruAdvantage + Rx Core, Asuris TruAdvantage + Rx Classic and Asuris TruAdvantage + Rx Enhanced plans, you can select the Part D coverage that best suits your prescription drug needs and your budget.

All meeting locations are wheelchair-accessible. Plus, sign language interpreters are available upon request. Please submit sign interpreter requests at least 24 hours in advance. If you have other special needs, please contact us.

A sales representative will be at the meeting with information and applications. Asuris Northwest Health TruAdvantage is a PPO with a Medicare contract. Anyone with Medicare Parts A and B, who lives within our service area, and who does not have End Stage Renal Disease (ESRD) may apply.
