|---------------------------------|---|
| Preventive Care | Preventive services and immunizations are covered according to guidelines set forth by the United States Preventive Services Task Force (USPSTF), Centers for Disease Control and Prevention (CDC) and Health Resources and Services Administration (HRSA). |
| Waiting Periods | No benefits are provided for treatment relating to a transplant until the member has been covered under this or a prior plan for 12 consecutive months. There is a nine month waiting period that must be met prior to benefits being available for pre-existing conditions. Members may receive credit from prior medical coverage. Pre-existing condition waiting periods do not apply to Members up to age 19. |
| Outside the Service Area | Through arrangements with our affiliates in Washington, Oregon, Idaho and Utah, members can access all levels of providers and payment in those states as if in the home service area. Outside those four states, members have the security of knowing they can access providers across the country. Through the Asuris Preferred Network, members receive Category 1 coverage with thousands of providers nationwide, discounted services, balanced-billing protection, and nationwide provider search capability. When you're an Asuris Northwest Health member, you take your benefits with you. |
