

## Asuris Northwest Health CCE to CCI Edits

Supplement to CCI Version 14.3

Effective for dates of service beginning 10/01/08

Effective 10-01-2008, the following Asuris CCE code pair edits have become CCI code pair edits.

The primary and denied code in each Asuris CCE code pair listed in columns A + B will remain the same in CCI. However, if there is a \*\*\* in column C, then the order of that code pair will be switched in CCI with the primary code becoming the denied code and the denied code becoming the primary code.
