

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. This is only a **summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, go to [https://asuris.com] (Applies to custom groups) [https://asuris.com/go/2023/booklet/EW/AsurisPreferred101+] (Applies to standard groups) or call 1 [(888) 367-2109.] (FI) [(866) 240-9580.] (ASO) For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1 [(888) 367-2109] (FI) [(866) 240-9580] (ASO) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	[\$250 – 5,000] individual / \$[Two or three times the individual amount, not to exceed \$12,000] family per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Certain <u>preventive care</u> and those services listed below as " <u>deductible</u> does not apply" or as "No charge."	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	[Yes. \$[250 / 500] individual per calendar year for <u>prescription drug coverage</u> . There are no other specific <u>deductibles</u> .] (Applies when there is a separate Rx deductible) [No.] (Applies when there is no separate Rx deductible)	[You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.] (Applies when there is a separate Rx deductible) [You don't have to meet <u>deductibles</u> for specific services.] (Applies when there is no separate Rx deductible)
What is the out-of-pocket limit for this plan?	[\$2,500 – 7,150] individual / \$[Two or three times the individual amount, not to exceed \$14,300] family per calendar year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See https://asuris.com/go/EW/Preferred or call 1 [(888) 367-2109] (FI) [(866) 240-9580] (ASO) for a list of <u>network providers</u> .	You pay the least if you use a <u>provider</u> in the preferred <u>network</u> . You pay more if you use a <u>provider</u> in the participating <u>network</u> . You will pay the most if you use a <u>nonparticipating provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your

		<u>network provider</u> might use a <u>nonparticipating provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
